

Institut d' t  du

FRANAIS INTENSIF

SURREY BC

Learn effective strategies to teach French in a meaningful and authentic context - the entire conference is en franais!

Become certified to teach Intensive French!

1

Based on the Neuro-linguistic Approach (NLA) to develop oral, listening, reading & writing communicative competencies of French learners

2

Founded on a student-centred and literacy-based pedagogy emphasizing authentic communication, social interaction and the development of the Core Competencies through project-based learning

THIS INSTITUTE IS NOT ONLY FOR INTENSIVE FRENCH TEACHERS!

If you are wanting to learn strategies to develop oracy and literacy teaching practices, this is for you!

Open to K-12 French Immersion & Core French teachers, or anyone wanting to teach French!
